In 1977, Continental Sports Supply (CSS) opened its doors to begin sporting goods distribution in the United States and North America. Since then, Continental has been the US and North American distributor for such brands as Reusch® Soccer, Erima™, Derby Star™, Ligne 7™, vici™, Ref Gear™, TeamGear™, Killer Volleyball™, Reusch SnowSports®, and many others. In 2012, CSS began ownership and distribution of Olympus® Rugby

Rugby is the 2nd fastest-growing team sport in the US over the past 2 years. Its popularity around the world is gaining a solid foothold in the United States. Toward that end, CSS has recognized a need and an opportunity to service the US Rugby market with domestic-made uniforms, (we manufacture all of our Olympus® jerseys on-site, using proprietary materials and fabrics, constructed under our own quality control standards with our own sublimation processes on-premises) hard-goods, and equipment.

We hope you will enjoy our new catalog, and more importantly, our new developments and offerings in Rugby apparel and gear. Following closely on the heels of Rugby's World Cup, we see continued growth and expansion of this unique and wonderful sport on US soil, and hope that we may service your Rugby needs in the near future and for as long as you play.

SEND US YOUR CUSTOM JERSEY DESIGNS

Olympus will take your design and make a custom jersey for your team. Here are two of the many custom jerseys we have made. These were made for the LVI tournament in Las Vegas.

We will turn your custom Made In the USA jerseys around within 4 weeks after the approval of artwork. If you need a strike off to approve colors and placement of the logos and designs, a few more days will be needed.

If you should need a quicker turn around than 4 weeks, we make faster delivery available at an additional cost:

- 3 week delivery after artwork approval: 15% surcharge
- 2 week delivery after artwork approval: 20% surcharge

We encourage you to use your artist for artwork. **Please have your artist submit your artwork in a Vector files.** We cannot use jpeg or pdf files for our printing process. If you need us to do the artwork, we will be happy to do so, but that will incur additional costs.

We look forward to working with you to create the best Made In The USA custom rugby uniform.

OLYMPUS[®]

Be your own
DESIGNER!
BE UNIQUE!

CUSTOM SUBLIMATION JERSEYS

Now you can design your own Jersey for yourself or your 7s or 15s Team!
And you don't have to wait 12 weeks for the order!

Olympus[®], America's Rugby Brand[™] introduces our In-House Custom Sublimation Program. Now you can design Custom Jerseys with any color combination from our own 48 color CSS palette! All jerseys are constructed of our wick-flex 10[™] or wick-flex 13[™] 4-way stretch polyester material; and best of all, they're 'built' right here in our warehouse in Denver. That means that you don't have to wait 12 weeks for your team's Custom Sublimated Jerseys!

Sublimation- the process by which we can offer you a custom Olympus[®] jersey, is a garment printing system which enables us to make this unique, custom offer! Not like screen printing; sublimation actually transfers the bright, rich colors INTO the apparel fabric versus just printing ON the fabric. This process allows for more vibrant colors, greater color choices, greater color clarity, and no-fade laundering. The bright new custom jerseys that you wear onto the pitch right-out-of-the-box will look and feel the same after seasons of use. Plus, our new wick-flex 10[™] and wick-flex 13[™] fabric not only "take" the sublimation process extremely well; they are field-tested by Rugby players and have drawn rave reviews for comfort, durability, breathability and outstanding fit!

Here's what you do:

- 1** Go to www.OlympusGlobalSports.com and click on the Custom Sublimated Jersey tab. Peruse the Olympus[®] Custom Sublimated Jersey templates. Select the Jersey of your choice.
- 2** Browse from the 48-color CSS color-palette. Select which colors you want and where on the jersey you want them. Once selected, the program will assign the color to the line-art jersey template. Do it again filling in every segment of the line-art template with your favorite or team colors. Follow-up with the name and number.
- 3** After you have settled on the custom Jersey design and color-ways, follow all of the prompts and submit your order. Be sure to have all of the proper sizes and corresponding numbers for the correct jerseys. When you are satisfied, hit the Submit tab and your order is underway!

You'll have your Olympus[®] Custom Sublimated Jerseys within 4 weeks !

Remember!
You can design any style
or color of jersey with our
Custom program. Styles
shown are suggestions..
**Be Creative
Be Custom
Be You!**

The five S's of sports training are: stamina, speed, strength, skill, and spirit; but the greatest of these is spirit.

Tribal OLYMPUS ROOTS

Tech Performance

Olympus® Legacy Custom Sublimated Jersey Style # 2400

The new Olympus® Legacy jersey is totally distinctive! This new design is a compilation of Aboriginal art and South African World Cup flavor! Distinctive shoulder motif with unique body graphics will certainly make your team stand out at the park!

Made of our new wick-flex 13™ 4-way stretch polyester fabric which is very durable, yet takes sublimation color extremely well. Pro-fit cut, reinforced seams, double-taped neckline, banded tails and sleeves. Highest quality jersey with highest quality design! Standard jersey comes with knit crossover, or a more traditional stand up collar for an additional cost. For more info on "America's Rugby Brand" go to www.OlympusGlobalSports.com

Sizes: AS, AM, AL, AXL, AXXL, AXXXL

Suggested Retail: \$82.00 USD with crossover collar
 \$86.00 USD with traditional stand up collar

Don't forget!
 We do custom sublimation Jersey on YOUR design or ours.

Olympus® Custom Sublimated Rugby Shorts for Men # 3025

Olympus® now offers custom sublimated shorts for your team. Add custom shorts to your custom jerseys, and you have kit that only one team ever has—YOUR team! Made of our wick-flex13™ 4-way stretch polyester material, these shorts are reinforced through the seams, crotch, and waist-band. Internal drawcord for better fit, taped, vented leg openings. Add some real customization to your team and club with our new Custom Sublimated shorts! Taped side seams and crotch seam.

Sizes: AS, AM, AL, AXL, AXXL, AXXXL

Suggested Retail: \$40.00 US

Olympus® Custom Sublimated Rugby Short with Seam Taping # 3030

Olympus® now has a custom sublimated short that has seam taping in two areas. The side seam on each side of the short is taped from 2 1/2" inside the short, down around the bottom seam and back up the side of the short for another 2 1/2". In addition to the side seam taping, the crotch seam is taped from one side of the leg all the way across to the other side. Extra strength all around!! Made of our Wick-Flex 13™ 4-way stretch material, includes internal draw cord. Your design is all we need!

Sizes: AS, AM, AL, AXL, AXXL, AXXXL

Suggested Retail: \$45.00 US

Taping at the seams and at the crotch

FULL CUSTOM UNIFORMS

Olympus® Full Custom Jersey # 3000

Our USA made Custom Jersey is constructed with a 4-way stretch, heavy duty, long lasting **Wick-Flex13™** polyester. This fabric provides a tighter, more sculptured fit. The fabric has our **Moisture Management System** which helps wick away moisture, keeping the player cooler, dryer, and more comfortable while playing. Our Pro-Fit cut has over lock stitching and raglan sleeves for ease of movement and optimal fit, a dual reinforced neck line, and banded hem and sleeves.

New knit collar lays down when worn.

Use your design, or pick one of ours that can be found on our www.olympusglobalsports.com website. If you choose to design, please submit your artwork in a **Vector or .ai file**.

This will cut down on artwork charges.

Sizes: YM, YL, AS, AM, AL, AXL, AXXL, AXXXL

Suggested Retail: \$82.00 USD

NEW ADD ONS AVAILABLE: Since this is a USA made custom made jersey, we can add the following to your jersey:

Continental Neck Collar: Stand up, traditional rugby collar. Add \$5.00 USD

OLYTACK™ sleeve strip: This is a stretchable silicone strip that will help the player retain the ball. Add \$8.00 USD

OLYTACK™ hem strip: This is a stretchable silicone strip that goes around the entire hem line to help keep the jersey tucked in. Add \$10.00 USD

OLYTACK™ hem strip

Olympus® Backpack # 726

600 Denier Polyester with PVC lining for water-resistance. "U" shaped top opening for the main compartment. Small zip pocket for wallet and other items inside bag. Key chain clip included on inner bag. 2 side pockets have mesh inserts for ventilation. Padded adjustable shoulder straps. Back of bag which contacts the player's back is also fully padded. Mesh pocket with draw-cord for balls, boots, or wet gear. Great bag for tournament travel or just everyday use!

Size is: 21" H x 12"W x 20"D

Colors: Solid Black, Royal Blue/Black with White piping. Red/Black with White piping, Navy/Black with White piping.

Suggested Retail: \$26.50 USD

Olympus® Tech II Bag # 735

A favorite of many of our Team and Club customers. The Tech II Bag is made of 600 Denier Polyester. The hidden ball net holds a ball when needed, and tucks away when not in use. Wide "U" shaped top opening allows easy access to larger inner compartment. iPod or cell phone pocket on inside of bag with pass-thru on top of bag. Padded, adjustable shoulder straps include removable cell phone pocket. Key clip on one shoulder strap. Padded, ventilated back suspension for comfort and moisture wicking. Wet/dry pocket for shoes. Heavy duty carry handle at top of bag. Front zipper pocket is loose to leave room for team crests and/or number embroidery.

Size: 19"H x 14"W x 7"D

Colors: Black. Scarlet/White. Navy/White. Royal Blue/White.

Suggested Retail: \$28.00 USD
(50-99: \$27.00 ea; 100+: \$26.00 ea)

Olympus® XL Chile Bag # 722

HUGE (14" high, 14" wide, 32" long) team bag. 210 Denier Polyester with a waterproof backing. Two end zipper pockets—one with a mesh top for wet boots, clothes, gear. Side webbing for key clip or water bottle storage. Excellent travel bag for teams on the move!

Colors: Royal Blue/White Size: HUGE

Suggested Retail: \$20.00 USD

Olympus® Tournament Ball Bag # 741

Our Tournament Bag holds 12-14 inflated balls. Large opening with spring-loaded drawstring closure insures the bag will stay closed during bus or airline travel. Padded shoulder straps that adjust for the comfort of the wearer. Sewn on handles make it easy to move this bag when not wearing it. Cell phone holder on shoulder strap. Side "lash-to" strap for carrying cones and other coaching equipment. Wet/dry pocket at bottom of the bag for storage of boots, air-pump, clipboard, etc. Ample room around base of bag for team crest embroidery or screen-print.

Color: Black

Suggested Retail: \$30.00 USD

One man can be a crucial ingredient on a team, but one man cannot make a team.
